THE MENCH BREAKFAST ADVANTAGE
Small details. Meaningful opportunity.

GUEST EXPERIENCE FIRST

Breakfast satisfaction at the heart of every recommendation.

5-10% SAVINGS TARGET

Breakfast food & supplies only.
Labour excluded.

YOUR STANDARDS, RESPECTED

Recommendations shaped around your property's requirements.

THE MENCH BREAKFAST ADVANTAGE

Three ways to make breakfast work better.

01

SMARTER MENU CHOICES

Review cost per serving, guest appeal, product formats and waste to identify better-value choices.

- ✓ Menu & product selection
- ✓ Food & supplies costs

02

A MORE THOUGHTFUL BUFFET

Review presentation, item placement, serving tools and replenishment to support appeal and reduce avoidable waste.

- ✓ Buffet layout & presentation
- ✓ Portioning & replenishment

03

A CLEAR TEAM PLAYBOOK

Give breakfast attendants practical guidance to manage quantities, presentation and costs consistently.

- ✓ Attendant training guide
- ✓ Daily operating guidance

FROM REVIEW TO DAILY ROUTINE

01 / UNDERSTAND

Start with your property.

Review the offering, spend, guest feedback and requirements.

02 / RECOMMEND

Make the choices clearer.

Prioritize menu, buffet and attendant guidance.

03 / PUT INTO PRACTICE

Build a better routine.

Track average breakfast food and supplies cost per occupied room alongside satisfaction.

THE GOAL

Improve breakfast ratings while targeting a 5-10% reduction in food and supplies costs.

Targets depend on each property's starting point and implementation.
Results are not guaranteed. Labour excluded.

A LOW-RISK PLACE TO START

Start with a few photos.

Send photos of your current breakfast setup. We'll complete a preliminary review to see whether there is a realistic opportunity to improve the guest experience and lower costs—before you invest in consulting.
